

When It Rains It Pours

A Study Of Pouring Vessels

Talent is long patience, and originality an effort of will and intense observation.
– Flaubert

Join Us!

Spring Session I
Thursdays
6 – 8:30

Pitt County Arts
Council at Emerge

Rae Brown
rae@abitoffcenter.com

Dedicate 6 weeks to exploring pots whose primary function is communal usefulness – pots designed to share their contents with many. Make your own pouring vessels to use with the dear people in your life. Projects will emphasize fundamental throwing skills for beginning and intermediate potters.

Class Projects Will Include...

Creamers
Pitchers
Added Spout Pitchers
Batter Bowls
